Date:	1/26/12
Slug:	DNA Leads to Cold Case Arrest
Submitted by:	Cpl. L'Jean Mckneely Jr

Jo Ann King, 28, 8266 Governor Dr, was arrested tonight for the death of her infant child that occurred on December 6, 2002.

The infant was found in a dumpster by a waste worker in the 2200 block of Iberia St.

DNA processed by the State Police Crime Lab, linked King to the infant.

Detectives who were working on this cold case brought King in for questioning which lead to her arrest.

King will be booked into East Baton Rouge Parish Prison and charged with 1st Degree Murder.
