Attached are photos of a missing person. TAMEKA "KESHA" ANDERSON, 25, lives in Baton Rouge, but was last heard from on February 23, 2010 after she withdrew \$1000 cash from her bank account and supposedly rode to the Galvez area to purchase a car. She has not been heard from since and is not answering her phone. There are no indications of foul play but her disappearance is considered to be unusual and out of character.

Anderson is a black female, 5'1", 150 lbs., with black hair and hazel eyes. She has several tattoos on her right upper arm and neck. Anyone with any information on her whereabouts is urged to contact the Baton Rouge Police Department at 389-2000 or Crime Stoppers at 344-7867.
